TOURNAMENT INVITATION

European Beach Handball Tour Finals
3 - 6 June 2021 in Torrox, Malaga (ESP)

THE VENUE AND TOURIST SPOTS

Torrox is a municipality in the province of Malaga in the autonomous community of Andalusia, southern Spain. It belongs to the Comarca of Axarquia and it is located in the Costa del Sol Oriental, on the shores of the Mediterranean Sea. Only 30 minutes from the historical city centre of Malaga and 40 minutes from the International Airport Pablo Ruiz Picasso (AGP).

Torrox has a duality that does not leave its visitors indifferent: on one side, its more than 9 kms of coast with clear waters; on the other, the traditional image of its white streets decorated with flowers, a typical characteristic of these villages. Its modern Constitution Square, whose multi-coloured umbrellas are known all over the world, is a tourist attraction of spectacular beauty, and this year is wearing the colours of the Spanish flag.

The coast offers the beauty of extensive crystalline beaches with impressive facilities and services. It has a coastline of more than 9 kms of beaches starting from the town of El Morche, a coastal town adapted to tourism but without losing the essence of its fishing origin. It is essential to walk along its coastal path and enjoy one of the only two dune areas that remain in the province of Malaga. Following the route of the coast we can reach the extensive beach of Ferrara, where it is located the splendid viewpoint of the Lighthouse, or the almost virgin beaches of El Peñoncillo and Calaceite.

Torrox has been nominated, according to the study done in 2008, the place with the "Best climate in Europe", has an unbeatable climate. The proximity of the Sierra Almijara, as well as the Mediterranean Sea, make temperatures in Torrox moderate in both winter and summer. The average annual temperature is 18.2 ° C, with no big variation between winter and summer.
